

S.A.S. LA PRINCIPESSA NINA DI SEBORGA

Seborga, August 23rd 2023

Dear Mr. Gábriš,

at the conclusion of the development project of the first banknote ever in the thousand-year history of our Principality of Seborga, to which you have dedicated yourself in recent months by collaborating with our Crown Councilor for Finance Luca Pagani, I would like to send you these lines of sincere thanks.

I am very proud of the final result of the beautiful banknote you created, in all respects similar to normal circulating banknotes in terms of design, craftsmanship and anti-counterfeiting security features. The banknote will be a great source of pride for our country and I am sure it will be appreciated by all our loyal supporters and collectors from all over the world.

I would like to express my deep gratitude to you and my heartfelt thanks for the commitment you have dedicated to this project. The banknote is a true masterpiece reflecting the love and care you put into every detail. Thank you for helping to make our dream a tangible and precious reality.

Hoping that in the near future you will be able to collaborate again with our Principality in the development of other banknotes, I wish you the best for your personal and professional future.

Please accept, dear Mr. Gábriš, the expression of my highest consideration and deep admiration.

Sincerely,

Nina of Seborga
